EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 18 has been canceled.

In claim 17, line 2, "said" appearing before "supports" has been deleted.

2. Claim 18 has been canceled as directed to an invention which was non-elected without traverse. The above change to claim 17 has been made in order to correct a minor error in the claim. The supports on which the abrasive means are disposed are not the supports which were previously recited in the claims (see, e.g., specification page 7, describing the support 60 on which the brush 6 is mounted, this support being distinct from the thread supports 55,56).

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Amy B. Vanatta whose telephone number is 571-272-4995. The examiner can normally be reached on Monday through Thursday.
